

## Houla Massacre Victims - 2014 List

The following list of 105 Houla Massacre Victims was published in May/June, 2014 on a new Houla Massacre 2<sup>nd</sup> anniversary Facebook page:

<https://www.facebook.com/pages/Houla-massacre/255665341286722?ref=nf>

These were originally listed in batches of 10 or so, each headed "Full family names who died in Houla massacre 25-5-2012." The families were numbered up to "thirty eight family" and the obvious tallies spelled out (lost four members," etc.). Here they're compressed into one list, in given numerical order, with the simplified family notes inserted above each block. Below each block is a link to other posts there with photos (graphic, dead civilians) or video (not graphic, mainly dead rebel fighters)

Note: these are in the English given, with minor repairs in spots – martyr to martyr, some "... family" to "family of," etc.
