

The Solar Sailors

Meeting Minutes 1/20/2021

Attendance:

Adriana Oliveira (Team Member)

Nickolas Borek (Team Member)

Lukas Vermeulen (Team Member)

Brady Jerome (Team Member)

Steve Szablya (Sponsor)

Meeting Log:

- Pre-registration for design expo submitted.
 - Lukas will be the expo team lead.
- Everyone, for the love of God, apply for graduation.
- Engineering release review due on 2/19.
 - We will likely meet on a team meeting day (Wednesday at 7:30)
- Brady will be leading the next few weeks
- Brady will update the secretary and agenda maker schedule.
- Nick showed his Arduino code.
- We discussed calibration/ testing.
- We may look into a battery operated pyranometer with memory for long term testing exposers.

- Next meeting: Ask Dr. Johnson about accessing the schools pyranometer.
