

Team Meeting #16 Agenda, 1/19/21

- Discuss Client Meeting Details
 - New Time?
 - Updates
- Prototyping
 - Parts and wiring
 - Assembly
 - Testing
- Prototyping Tooltip/Brainstorming
- Other Topics?

Team Meeting #16 Minutes, 1/19/21

- Client Meeting Details
 - Jett will send an update letter to Dr. Hiller this week
 - We will plan to start meeting next week, and inquire about a 5:15p meeting time
 - Planning for bi-weekly meetings
- Prototyping
 - Finish assembly this week, start testing mechanism
 - Lucas will finish expo registration
 - Ryan and Maclean will work on tooltips
 - Consider printing on Dr. Perry's printer
- Brainstorming
 - Massage gun idea for a linear actuator
 - Could be worth examining for inspiration
 - What is the motor RPM to actuation ratio?
 - Lucas will look for schematics
- Registration for Expo
 - Lucas will register for Expo
- Dr. Perry feedback was very positive
 - We are on a good path, and just need to push to testing and finalization now
- Action Items
 - Jett will finish prototype assembly and circuit schematic assembly
 - Lucas will research massage guns and register for expo
 - Ryan and Maclean will work on incorporating a tooltip into our design
