# DFIG AGENDA

---

#7

10/28/2014

## Weekly Recap

- Evaluate Wikipage
- Discuss how meeting went with Dr. Johnson
- Any emails from power engineers?

## Items to address

- Send emails to engineers
- When will we meet for the design review
- Continue thinking on how to detect the fault
- Continue thinking on how to protect the fault (SEL equipment?)

## DUE:

- 11/3 mid-semester wiki page due to instructor
- 11/3-21 Design Review
- 11/10 Logbook & portfolio review
