### ### Agenda

\* Agenda is here: <https://github.com/mateoconlechuga/tater/blob/master/docs/client/meetings/9-27-2017.pdf>

### ### Agenda Notes/Status Report

During this meeting, we discussed the new parallelism of our schedule to our client. We also talked about obtaining probes and how this is highest priority and that we are trying to contact Dr. Z.

We also discussed the Target Specification. The client approved it, but mainly wanted our new parallized schedule with updated milestones and a list of materials/boards/targets that we need so that we can get started on this project.

### ### Action Items

- \* Everyone: Need to take (and print in senior design lab) team picture for portfolio binder.
- \* Everyone: Target specs and client interview ready by 9/27.
- \* Lydia: Look into portfolio deliverable for 10/6.
- \* Hannah and Lydia: Research/download u-boot. Research/read algorithm articles.
- \* Waltz/Everyone: Send updated schedule and milestones to client.
