

## Meeting Notes

February 8, 2018

### What was discussed:

- Attend 2 Design Reviews!
- Jacob Report:
  - Designed the case for the backplate with correct dimensions from chips
  - Currently working on creating a pair of holes to allow to stabilize on back then working on little ridges to hold sensor in place.
  - Has different sections for separate components.
  - Next steps/thoughts:
    - Charging port
    - Invert case to switch sides of where the battery sits?
  - Room Reserved: JEB 326 for Design Review, Feb 14, 8:00 am to 9:00 am
  - Sent email inviting attendees to our Design Review
  - Sent email reserving our Design Review slot to Matthew Swenson
- Quinn Report:
  - Designed the wrist case
  - Will get photos and put in PPT for Design Review
- Matt Report:
  - Finished front end of app!
- Ruth Report:
  - Finished back end of app!
  - Soon to put on GitHub - tonight
  - Will report on math section next week
- Alex Report:
  - Designed PPT for Design Review
    - Ready to go except for the slides that each team member will take control of (case, sleeve, app current designs)
  - Finished Apparel Product Brief form for Lori and BreAnne
  - Reached out to them and working to set meeting
- Extra parts ordered and arrived

### To do before next meeting (2/13 and then official 2/15)

- Matt to be able to dynamically create control groups
- Ruth to link up data loading to all of them dynamically
- Ruth to work on math section
- Jacob to finish case design
- Quinn to finish case design
- Alex to bring exercise videos – look at videos therapist sent us
- ALL to FINISH slides for Design Review before Tuesday, 2/13!

### Agenda for Next Meeting:

Date: Thursday, February 15, 2018

Time: 3:30 pm

Place: Think Tank Room A

Agenda:

1. Everyone to report on last week's tasks
2. Alex to send Matt videos
3. Discuss how the Design Review went
4. Discuss all info on 3D printing – GOAL to have back and wrist case printed by 2/22
