

Meeting 4 2/4/2016

Santora's feedback from client interview transcript:

- Interface page can be multiple pages, not just one. Up to our discretion
- Would like to have (needs) password protected settings page
- Otherwise looks good

Transcript will be signed next meeting.

Ready to move to engineering specifications.

Ben will try to have that done by next meeting, will email if needs help.

Eric met with David from Flyrollers, will help with control algorithms.
