

- Dr. He-keys
 - Under CALS-still pending, most likely one copy
- Meeting with Dave
 - Continue having regular meetings
 - Feel free to use him as a resource
 - Try to have a design finalized as soon as possible
- Priorities:
 - Find a new header motor (and accompanying VFD)
 - Adapt shaft to use old header motor on the infeed conveyor
- Nathan looking to purchase sheet metal (1/22)
- Hope- Value Prop. and hay connections
- Ben- Motor and VFD research
- All- Flake holding mechanism designs
