Zoom Link: <https://uidaho.zoom.us/j/7057463960>

Expo Status

- No new updates
- Prepare for different sessions depending on the subject of projects.

Team Member Updates

- Dakota
 - Submitted TA and student lab guide
 - Revised Lab 2
 - Waiting for revisions on my lab guide
- Brian
 - Uploaded work in progress lab version of TA version of lab 5
 - Ran into an issue where serial cable may have been attached wrong.
- Yikai
 - Submitted TA version and Student version lab report suggestions.
 - Looking for suggestions on how to implement a lab remotely.
- Jialong
 - Submitted labs, but submitted to a different space.
 - Will send a link to location over email.

Revised Timeline

- April 10th, Finish peer review of team member lab guides
- April 15th, Submit revised drafts and remote learning ideas for mentor & Client review
- April 17th, Receive mentor feedback
- April 22nd, Resubmit final lab drafts
- April 24th, Poster for Expo and Powerpoint Presentation

Drafts should be backed up before making revisions

Lab 1

- Source code will be uploaded to drive as well as PDF

Uploading labs to Latex

- Brian will upload labs to be converted to Latex format for standardization.
- Formatting shouldn't be an issue, but pictures may move slightly.

Dr. Johnson emailed comments about lab 3

See previous agenda for Q&A concerning stay home order

To Do:
