

## Team Meeting Agenda 4-13-15

- We have not heard back from Amandeep yet.
  - We're waiting for his 'blessing' before we start pursuing the 'large sub' communication model.
- Talk about 'large sub' model.
  - We are researching common subs and what we would find (relays & protection) in them.
  - Q. What would be protected compared to what we have in the model power lab?
- Talk about our plan to set up and test 2 configurations of networks.
  - One studies inner-sub communication.
  - One studies sub-to-sub communication.
- Security
  - Contact [ray@uidaho.edu](mailto:ray@uidaho.edu) & [PK@uidaho.edu](mailto:PK@uidaho.edu) to learn more about security.
