

THE BEAST

Mentor Meeting #11

Monday, 09/23/2019

AGENDA

<u>Topic</u>	<u>Item</u>	<u>Resolution</u>
Business		
Example	I. Design of personell mounts and modeling.	I. Schedule a meeting with Spencer to discuss if the personell mounts are still desired within the scope of what is achievable this semester, and if they are is the current design sufficient or can we change it, and discuss letting him decide where to cut the holes in the plywood using a hole saw or other such tool.
