

Team Meeting #4

09/25/19

Budget

- Kyle explained the budget to Angel
- Is there anything big we're missing?
 - Raw Materials?
 - We got it!
- Send it to Angel

Product Requirements Document

- Will not complete until we go to Boeing

Gantt Chart

- Phase 1 right now
- We just set up Gantt Chart
- Phase 1 is Project Management
- Phase 2 is Design Testing

Tour

- Laptops/Notebooks
 - Laptops are allowed
- Steel Toe Boots
 - Slacks
 - Shoulders must be covered
 - Heel must not exceed 1"
- Can we take pictures?
 - Angel will take pictures for us
- What should we prepare?
 - Think about schedule/Gantt Chart
 - Focus on that
- Where are we meeting
 - We will be meeting in the main lobby

Summer vs. Keypad

- Either works, but we definitely need a scanner

Requirements

- 2 ft. width X 6 ft. Length
- Height to Weight Requirement
 - Angel will give us the equations for it

Foam

- Flexible polyvinylidene fluoride foam

Variances and Tolerance

- Angel is still working on that

Gantt Chart

- Good at first look
- Broke down the first phase
- Total Systems Design Write-up?
 - Our Design Plan
