

TEAM MINUTES - 12/03/20

Location: Zoom
Present: ALL
Time: 3:30-4:30
Writer: Jaden Cavender

Agenda Items

1. Finished snapshot 2 poster and practiced delivering presentation
2. Jaden created a new iteration of the filter screen after the previous one was printed with a flexible rubber, making filtering difficult. The new iteration will use a harder plastic and should have ridged supports to deflect any bending stress.
3. Tobias continued working on the team wiki.
- 4.
- 5.
