### Meeting Log:

- Meeting started at 6:00 PM
- Team Member Citizenship is due on 11/20/2020
- We currently only have OpAmps in and are waiting on our next parts
- Lukas investigated PCBs (specifically pre-made ones)
  - They are relatively cheap, but we should look into building our own as well
- Discussed what to do over Thanksgiving Break
  - Could work on future objectives early
    - Project Poster
    - User Manual
  - Maybe we could meet up in person since most of us will be in the same area
- We got good reviews on our Design Review
  - Good job everyone!
- Meeting ended at 6:31 PM
