

## Meeting Minutes 3/19:

### Present:

- Jake
- Emily
- Dr. Rezaie

### Pipes:

#### Blower to heater

- There's an issue converting the square output of the blower to the circular heater inlet
  - Grainger recommended making an adaptor ourselves
  - Emily has a meeting with Gropp tomorrow 9/20 to speak about making that (Have contacted Munday's and ACE, both groups suggest Gropp)

#### Heater to inputs

### Suggestions:

- Joints are available for putting the pipe over the outside bore side
- Connectors can be outside or inside

### Valves:

- 2 in pipe valves available at ACE (\$50)
- 2.5 in or 3 in will be over \$100 each

### ToDo:

Buy pvc and drill holes
