

# Project Schedule

## **Fall Semester**

October 2020

- ECE444/544 Learning Oct30,2020

November 2020

- DNP3 and Modbus Learning Nov 16,2020
- SEL and Mininet Learning Nov 23,2020
- Seek for appropriate access to the computer server in the power lab Nov 31,2020

December 2020

- Design review presentation Dec 2,2020
- Comparison different access and choose the best one Dec 20,2020

## **Spring semester**

January 2021

- Start connecting to UI laboratory Jan 15,2021
- Begin lab testing in remote control Jan 23,2021
- Senior design lab exercise 1 remotely control Jan 30,2021

February 2021

- Senior design lab exercise 2 remotely control Feb 7,2021

- Senior design lab exercise 5 remotely control  
Feb 15,2021
- Engineering release review  
Feb 19,2021
- ECE 444 Lab 1 remotely control  
Feb 22,2021
- ECE 444 Lab 2 remotely control  
Feb 28,2021

#### March 2021

- Senior design lab exercise 3 remotely control  
Mar 15,2021
- Modifications for lab materials  
Mar 20,2021

#### April 2021

- Write instructions for EO students and TA  
Apr 11,2021
- Poster at Expo  
Apr 30,2021

#### May 2021

- Design report  
May 7,2021
