

## Meeting Minutes for September 23, 2020

11:30 AM - 11:51 AM

- Worked on Product Requirements document in a shared google doc (due tomorrow)
  - Trinity will email to Bruce
- Want to start working on the website
  - Branding & colors (make it more visually appealing)
  - Make a view only option
- Decided to work on Snapshot Day #1 presentation next week
  - Want to show website and its current working functionalities rather than a powerpoint
- Sydney will take screenshots of current website so we can see progress at the end of the year
- Josh will email Dr. Maughan questions about accessing code so we can get started this weekend
