

## Meeting Minutes 11-16-20

We did a status check for tomorrow's client meeting.

- We will go over the CDR
- We will ask about an update on our portfolio from Dr. Li
- We will get advice on going forward next semester

We discussed the possibility of meeting over breaks, and decided that if we needed to then we would talk on discord about setting the meeting up.

Kate offered to work on the rat circuit over Christmas.

Reminder that Team Citzenships are due by Friday

Grace is going to print the circuit card holder over Christmas break.

We will continue normal meeting schedule after Thanksgiving.
