

## **Team: Kill-a-Watt**

Matthew Klein

Jake Querubin

Nathan Gaul

Abdencio Sanchez

## **Agenda**

1 March 2016

### Discussion

- Design preliminaries
  - What current values do we need for pre heating TEG's
  - Power Converter (Buck Converter) was there a better alternative in the pdf on Dropbox?
  
- When do we want to meet these next 3 weeks?
  - Nathan and I will be gone next Tuesday as well
  - Spring Break

### Develop Action items

- Snapshot Day
  - Reschedule Date
  - Delegation of tasks
  
- Expo
  - What do we need to be ready
  - Schedule for people to be at the booth
  - Plan for being ready a few days before the event

### Announcements

- Team H.E.E.T Design Review will take place on March 10<sup>th</sup> 2016  
Location: TBA
